Rockefeller BUYS (captures) Public News Media under a "Gentlemens' Agreement"	Rockefeller Quote: "We are grateful to the Washington Post, the New York Times, Time Magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is more sophisticated and prepared to march towards a world government. The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national autodetermination practiced in past centuries." -- David Rockefeller, Speaking at the June, 1991 Bilderberger meeting in Baden, Germany (a meeting also attended by then-Governor Bill Clinton and by Dan Quayle.	https://rense.com/general17/quote.htm

Do research on:	
	remdesivir trials (what happened to the tested animals on round 2?)
	immigrant invasion and distribution
	CEO and high-level positions shuffles / resignations

The govt / legal system (DeFacto) is compartmentalized... and every public service organization believes their corporate policies rule over the people.

Legal codes, statues, ordinances, mandates, etc. are policies (not laws) of the corporate entities within the Admiralty system which governs the contracts and commerce.

the original constitution give the people 19 essential governmental services and no more

with the expanded population in the nation, we need 10,937 in congress in order to be a true quorum for representing 'the people'

if there is no true quorum- then there is no congress- no legislation created by the dead congress is valid (it is fraud)

land common rights, property, equity *given by GOD as un-a-lien-able; (and man/govt should not be able to place a lien against them)

air cannon trust

water commerce contract

know your: status / standing/ jurisdiction (us code to hold govt accountable: USC title 8 section 1101)

citizen / person / resident is tacit agreement as govt employee under govt control

national (created govt- with limited diplomatic immunity) vs citizen (under jurisdiction of govt - with govt priviliges granted to them)

* need 1) affidavit of repudiation and 2) national passport

Govt and corporate entities LEAD you down their path of: (into the Admiralty system)

presumption

assumption

tacit agreement (silence is assumed to be agreement)

hearsay

You have a duty to - 1) correct errors our public servants make

and 2) educate public servants to not make same errors

** affidavit of repudiation

everything dirt downward is LAND; everything from ground up is REAL ESTATE (improvements to the land)

* the land patent grant number is removed in mortgage / real estate paperwork, so... they are selling you the real estate only and a CUSIP number added to the paperwork

washington DC expanded their jurisdiction into 10 areas of court throughout the rest of the united states

some things to remember:

the words you use (diction) determines which legal/law system (juris) you are operating in
pen ink color differences: black is 'dead' for corporate; red is 'alive' for living men; purple is
